

Fusion Metered Aerosols

Premium, air freshening metered aerosol system.

Fits any existing dispenser

Newly designed actuators allow Fusion to fit any existing metered aerosol dispenser for a universal fit.

Eliminates odors

A patented odor neutralizer, Ordenone™ encapsulates malodor molecules and eliminates odors at the source. Lasts for 30 days and can deodorize a room up to 6,000 cubic feet.

Smells better, stronger, longer

Natural oils ensure quality fragrances that are more appealing and lack the chemical smells. Fusion's smaller particle size will float in the air longer so you smell it longer.

Environmentally friendly

Fusion metered aerosol cans contain no VOC's or ozone depleting ingredients making them available for sale in all 50 states, North America, and Europe.

Universal actuator fits existing dispensers
