

Odor Out

Dumpster odor eliminator

Odor-Out is a carpet and room deodorizer and absorbent. Simply sprinkle over a carpet and vacuum it up; it won't damage vacuum parts or carpet fibers.

Easily vacuums

Safe, light, non-abrasive, biodegradable cellulose (natural) based formula stays on top of carpet. It easily vacuums up because of the larger particle size unlike competing deodorizing carpet powders.

Non-abrasive

Odor Out's non-abrasive formulation doesn't damage vacuum parts or carpet fibers, keeping them like new.

Environmentally Friendly

Formulated with a biodegradable cellulose base, it's safe and cares for the environment. Odor Out is available for sale in all 50 states, North American, and Europe.
